

ASI HYDRAULICS POWER UNITS

GAS ENGINE DRIVEN

Standard Features:

- Onboard fuel
- Filtration
- Frame
- Electrical Start

Typical Applications:

- Outdoor Applications
- Mining Applications
- Portable Line Boring
- Portable Machining
- Conveyors
- Service Truck
- Railroad

Specifications

Oil Capacity:	20 to 60 gallon
Pressure:	Up to 3000 PSI
Filter:	Spin-on Filters
Heat Exchanger:	By request
Gear Pump:	Pressure Balanced Gear Pump
